MANAGUA, Nicaragua, August 20.—Acting under orders of their commanding officer, the insurgents broke into the little city of Leon this afternoon and despite the flags of truce raised by the garrison after the fight, put every man of the five hundred federal troops to death. Women were assaulted by the brutal soldiery.

The bill introduced by Representative Sherley of Kentucky, which would make more strict the pure food and drugs laws as applied to patent and preparatory medicine, passed the house today. The bill would prohibit the publishing of claims of "cure-alls" which cannot be substantiated.

In a fight that followed a desperate attempt by Sam Wood, a farmer, thirty-five years old, to kidnap Ethel Manahan, a twenty-two-year-old daughter of E. Manahan, at the latter's farm at Belleplaine, Kan., yesterday, James Thompson, a relative of the girl, sixteen years old, was killed.

A desperate attack was made last night by a large body of pirates on the island of Chefo Chow, formerly part of the British colony at Hongkong and used chiefly as a sanitarium. They arrived a hundred strong and well armed, in a large Chinese junk. Upon landing they attacked the small police force on duty, killing the police and two others, and then looted the houses of the inhabitants who number about 2700.

A Family Medicine Without Alcohol
Ayer's Sarsaparilla is a tonic and alterative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

POPE PLEASED WITH HAWAII SCHOOL CONDITIONS

Superintendent Pope of the department of education returned from Hawaii yesterday after making an investigation of a week's duration of school conditions on the big island, which included all the territory from Kawaihae to Hilo.

According to the superintendent, conditions in the schools are not as bad as pictured and the school-houses as a general rule are in far better condition than the houses in the districts which they represent.

In his trip of inspection, the superintendent attended to various matters such as pertained to new teachers and additional schoolrooms which have been awaiting action to be taken for some time. Several promotions and changes have been made, nine schools in all being affected by changes.
